Welcome to TUS

Technological University of the Shannon

We are ambitious, supportive and welcoming and in choosing TUS, you will become part of a university that places our students at the heart of everything we do – prioritising accessibility and opportunity for all. With our focus on practical, research-led, applied learning, a qualification from TUS will equip you with the knowledge and skills for an exciting and rewarding career.

We are TUS. Join us!

BELONG

Our small class sizes mean you're more than just a number. As a student in TUS, you will know your classmates and your lecturers, ensuring you feel part of an inclusive and friendly university community. A host of clubs and societies, along with outstanding sports facilities all make TUS a fun place to belong.

PROSPER

Supporting you is at the heart of everything we do at TUS. We want you to get the most out of your studies and our student support services are dedicated to helping you reach your potential, both academically and personally. We know that college life can be challenging and we provide a comprehensive range of student supports across our campuses.

THRIVE

Our practical and hands-on approach to teaching and learning means you will develop the skills and knowledge that employers look for. You will learn in state-of-the-art labs and workshops, becoming familiar with and accomplished in industry-standard equipment relevant to your course. Most courses include work placement, giving you an opportunity to gain industry experience or the chance to study or take a placement abroad.

INSPIRE

At TUS, you can be part of ground-breaking research and innovation that matters to you. Our research is focused on finding solutions, getting results and improving quality of life. As a progressive university, we are committed to discovery and creativity that will help drive our region forward through education, research and commercial collaboration.

SUCCEED

Our courses have been developed in partnership with industry, professional bodies and the community to give you the best possible academic and employment outcomes. A university qualification from TUS will open up a world of opportunities and our graduates are in demand with leading employers. Our flexible progression routes and ladder system of qualifications will give you the foundation to leave and explore the working world after gaining an initial qualification, and the roots to return and pick up where you left off if you want to continue studying.

1 Great University

We are TUS

At TUS, we are a multi-campus technological university situated in the Midlands and Midwest, with the wellbeing and education of more than 15,000 students our main priority.

Our vibrant, supportive and welcoming campuses in Athlone, Limerick City, Clonmel, Ennis and Thurles offer an exceptional educational experience, with inclusivity and innovation at the heart of everything we do. So whichever TUS campus or course you choose, you will thrive in a student-centred environment that will prepare you for an exciting and rewarding career.

TUS has six campuses, with a seventh campus due to open at Coonagh, Limerick city in January 2024:

- Athlone Campus, Co. Westmeath
- Moylish and LSAD Clare Street Campuses, Limerick City
- Clonmel Digital Campus, Co. Tipperary
- Thurles Campus, Co. Tipperary
- Ennis Campus, Co. Clare

Athlone Town

Athlone is a large and bustling town located in the heart of Ireland. It is a town steeped in culture and history. It is situated on the banks of the River Shannon, Ireland's longest river, and spans not only two counties – Westmeath and Roscommon – but also two provinces – Leinster and Connaught. Athlone has developed as a major tourism point in Ireland. Its central location in the country means that it's only 90 minutes from Dublin Airport and within two hours of major cities such as Dublin, Galway, Limerick and Kilkenny. Athlone is well serviced by Irish Rail and Bus Eireann with bus stops directly outside the campus and a bus link directly to the train station.

Athlone Campus

Located just a stone's throw outside the town, our Athlone campus is home to 6,000 students and is renowned for its warm, friendly and inclusive campus culture, which supports students in reaching their full potential. The campus offers 200+ industry-focused courses on a full, part-time, blended, and online basis, ranging from higher certificate right through to PhD and beyond. Students can expect to find exciting courses in areas like virtual reality and gaming, cybersecurity, veterinary nursing, robotics, digital marketing, and pharmaceutical science, to name but a few. The Athlone campus is also home to some totally unique course offerings, including Ireland's only dedicated microbiology degree. Athlone campus houses our state-of-the-art International Arena and contains the country's first international-standard indoor athletics track. It is also home to the Athlone International Grand Prix, Ireland's premier athletics meet. Students at the Athlone campus can avail of all of the latest technologies and equipment, including Alter G AntiGravity treadmills (designed by NASA) and cryotherapy pods.

Limerick City

Limerick is a bustling student city that feels like home to 25,000 students from across Ireland and the globe. Situated on the banks of the River Shannon, at the edge of the Wild Atlantic Way, Limerick has plenty to offer its diverse student population. A vibrant and modern city with an abundance of shops and bistros, and with a thriving nightlife and music scene to suit all tastes and budgets, Limerick is big enough to feel lively and exciting, but small enough to feel like home. Limerick prides itself on a rich heritage and many historical attractions, including the 13th century King John's Castle and the Treaty Stone. It also boasts a strong and proud sporting tradition, particularly in Gaelic games and rugby. Limerick is a fun, inclusive and great city to study in, with a mix of sport, entertainment culture, and history that is hard to match.

Moylish Campus, Limerick

Our Moylish Campus is located on the outskirts of Limerick city and is our principal Midwest campus. Located in the shadow of the world-renowned Thomond Park, home to Munster Rugby, and a short walk from the TUS Gaelic Grounds, more than 7,000 students are based at Moylish. Students benefit from access to modern lecture theatres, science labs and computer suites, as well as our state-of-the-art Millennium Theatre, used during the day for practical classes and in the evenings and weekends as one of Limerick's leading live entertainment venues. Our Students' Union building has its own games room, relaxation lounge, café and radio station - Wired FM. A well-equipped gym facility and several pitches used for both recreational and competitive fixtures are also located at Moylish campus.

Limerick School of Art & Design (LSAD)

- Clare Street & George's Quay Campuses, Limerick

Our Limerick School of Art & Design (LSAD) houses one of the longest-established centres of art and design education in Ireland. Internationally renowned, LSAD has an award-winning reputation with cutting-edge creative technologies on-site for student learning and a Fashion Department listed among the top 50 worldwide. Vibrant, living "canvas" inspired spaces for the creation, display and celebration of the artistic talents of its students; LSAD campuses are equipped with state-of-the-art bespoke studios, workshops and technical spaces purpose-built for students. The LSAD campus adds an additional dimension to the university's cultural offering, with opportunities for collaborations, exhibitions and events throughout the year.

Coonagh Campus, Limerick

Work is almost complete on our new state-of-the-art Engineering Campus in Coonagh, Limerick city. The €24 million Coonagh campus is set to open in January 2024 with workshops, laboratories, research and learning facilities for up to 900 engineering students and apprentices. The new campus will be a centre of excellence for manufacturing engineering and other widespread engineering activities in the region. It will include precision engineering and electrical engineering workshops and laboratories, an integrated HGV & LGV garage facility, lecture theatres, tutorial rooms, IT labs, catering facilities, student services centre, smarter travel facilities and general accommodation facilities and amenities.

Thurles Town

A vibrant Tipperary town, Thurles is a great, central location in which to live and study. Well serviced by the Irish Rail network and growing its reputation as a university town, Thurles has many recreational and cultural facilities. With a thriving arts scene at the Source arts centre and theatre, a well-equipped leisure centre, cinema complex and shopping centre, and several coffee shops, the town has much to offer. For many people, Thurles is synonymous with the GAA and the famed Hayes Hotel, which held the first historic meeting of the GAA in 1884, is located in Liberty Square in the centre of the town. Semple Stadium, the spiritual home of hurling, is also just a puck of a sliotar from our Thurles Campus.

Thurles Campus

Our Thurles campus caters for students studying for qualifications in Applied Sports Science, Agricultural Science and Environmental Science, Business, Social Care Work, and Games Design. It is a friendly and student-centred campus with excellent sports facilities. Alongside lecture theatres, science labs and specialist games development labs, is our superb SportsLab, a dedicated strength and conditioning facility, designed and developed to the highest global standards. The 2,000 square metre facility includes a 45 metre six lane sprint track, especially designed to improve speed, as well as a range of sport technology systems, including micro electro mechanical systems and GPS systems. Planning permission has recently been granted for a major expansion to the facility to include tennis courts, GAA and all-weather playing facilities.

Clonmel Town

With a population of almost 20,000, Clonmel is Tipperary's largest town. A thriving industrial hub and home to several leading multinational pharmaceutical companies, it has plenty of shops, restaurants and lively pubs, and offers lots to do for students living locally. If you enjoy the great outdoors, Clonmel is ideally located in a valley surrounded by mountains and hills including the Comeraghs and Slievenamon. After a hard day's work in college, you can enjoy the beautiful Suir Blueway Tipperary, with 21km of the 53km route accessible by bike or foot, or try your hand at some of the water sports activities at various points along the river. Clonmel also has a thriving arts scene and the annual Junction Arts Festival celebrates touring theatre and live music, attracting an array of theatre, music and dance performers each year.

Clonmel Digital Campus

Our Clonmel Digital Campus is part of the renowned TUS Limerick School of Art & Design, and although a small campus, it is a vibrant and creative hub that provides a relaxed and friendly learning space for students. Our popular and innovative degrees in Game Art and Design, Digital Animation, Visual Effects for Film, TV and Animation, and Creative Media and User Experience Design are based at the Clonmel campus. A fantastic new addition to the campus is the €5 million Clonmel Sports Hub which recently opened on the campus grounds and includes a 400-metre IAAF standard athletics track, skatepark, walkways and cycleways.

Ennis Campus

A lively, bustling urban centre, Ennis is proud to be a university town with Social Care Work degrees at Level 8 and Level 7 available through the CAO at the Ennis Campus on Bindon Street. Located on one of the finest late-Georgian streets in Ireland, the newly refurbished campus building, with all its historic charm, now has brand new contemporary facilities. Our small class sizes and friendly atmosphere ensures students can gain the most from their TUS experience in Ennis.

Scan the QR code to read more about our campus locations.

Learn more about studying at TUS

Our doors are always open and we host many events throughout the year at our campuses in Athlone, Limerick City, Thurles, Clonmel and Ennis when you'll get an opportunity to explore our campuses and view our superb facilities at first hand.

From Open Days and Taster events to Engineering and Computing workshops, our schools' programmes are tailor-made for prospective students and will provide you with valuable opportunities to undertake meaningful course research, helping you to make informed CAO decisions.

HERE TO HELP

We are here to help and our Student Recruitment and Engagement team welcome questions from students, parents, guardians and teachers about our courses, entry requirements, support services and student life in general at TUS. The more information you have, the better decision you can make!

Moylish and Clare Street campuses are located in Limerick City.

Student Support

As you make your way through college life, giving you the support you need is at the heart of everything we do at TUS. While we are a multi-campus university community, our focus on maintaining small class sizes and getting to know our students properly means we offer a truly student-first college experience.

Our staff are dedicated to helping you get the most from your studies. We are proud of our collaborative learning community which promotes an environment of diversity, inclusion and social integration.

Our student-focused approach fosters a culture of academic excellence, combined with a supportive learning environment which has a warm and welcoming nature at its core.

We also know that college life can be challenging and to support our students, we provide a comprehensive range of student supports. Throughout your time in TUS, you will have access to our friendly and welcoming team who are dedicated to supporting a positive student experience with an emphasis on fostering inclusivity.

Access Service

We are committed to promoting equitable access to and successful participation in higher education for all members of society. Our Access agenda comes from a philosophy of integration and social inclusiveness with a commitment to widening access for underrepresented student groups.

TUS is a member of the **Higher Education Access Route (HEAR)**. This scheme offers reduced points places and extra college supports to school-leavers from socioeconomically disadvantaged backgrounds. You must apply via the CAO, indicating that you wish to be considered for the HEAR scheme. www.accesscollege.ie/hear

Disability Service

TUS is also part of the **Disability Access Route to Education (DARE)** national admissions scheme that allocates reduced points places to eligible school leavers under 23 years old with specific learning difficulties, health conditions and/or disabilities.

Students with educational support requirements are encouraged to contact the Disability Officer in advance of registration to agree the supports needed to help them access their learning. While there is no obligation to discuss your disability/support requirements, we recommend that you contact us as from experience, we have found that this positively supports your transition to and progression in third level. For full information on all services and supports, visit www.accesscollege.ie/dare. All Access and Disability services are confidential.

Going to university is a brilliant experience but it can also be quite expensive. At TUS, we understand the financial pressures and strains that many students and their families can experience. We run a number of initiatives within TUS to assist students with their day to day costs of attending college. The Access Office manages financial support initiatives such as the Student Assistance Fund, The 1916 Bursary Fund, and the Government Laptop Scheme. Further details regarding student financial supports is also available at www.studentfinance.ie

Disability: Athlone

Email: disability.midlands@tus.ie

Disability: Limerick (Moylish & Clare Street), Thurles, Clonmel & Ennis

Email: disability.midwest@tus.ie

Student Health Service

We provide confidential, professional, on-campus medical care for registered students and apprentices. Our service is nurse-led and provides comprehensive health services and emergency care as well as health promotion and supportive measures to help you in ways that will enable you stay focused and committed to your studies. Doctors are available to all students within 3km of the campus location. Student Health Services are available from Monday to Friday throughout the academic year. Nurse services are free-of-charge and doctor appointments are subsidised costing €15 for students.

Student Health: Athlone

Email: nurses.midlands@tus.ie

Student Health: Limerick (Moylish & Clare Street), Thurles, Clonmel & Ennis

Email: nurses.midwest@tus.ie

Student Counselling Service

Our Student Counselling Service offers professional and confidential psychological counselling which is free to registered students, and is staffed by highly qualified and experienced psychologists, psychotherapists, and counsellors. Our aim is to provide professional, high calibre, accessible and student-centred psychological and emotional support for students. Students who present in crisis are prioritised for support.

Student Counselling: Athlone

Email: counselling.midlands@tus.ie

Student Health: Limerick (Moylish & Clare Street), Thurles, Clonmel & Ennis

Email: counselling.midwest@tus.ie

Learning Support

Learning Support is available to all students. Over 1,000 students avail of support every year. Learning Support is based on a supervised self-help model to empower students to build their skills and confidence in a supportive and encouraging environment. Learning Support tuition is based on active learning, with the student themselves leading the process, helping them participate fully in their course. Students can avail of one-to-one consultations and group academic workshops and seminars to help improve their academic skills. Students can avail of additional tuition in all subjects, workshops in a range of areas including study skills and exam techniques, and support for students with learning difficulties.

Learning Support: Athlone

Email: academicwriting.midlands@tus.ie

Learning Support: Limerick (Moylish & Clare Street), Thurles, Clonmel & Ennis

Email: lsu.midwest@tus.ie

Chaplaincy/Pastoral Care

Our Chaplaincy and Pastoral Care Service is available to students of all religious denominations and of none. We are here to support you in the areas of Pastoral Care, Community, Spirituality and Personal Development. TUS also operates an Emergency Fund for students who are experiencing emergency financial difficulty.

Chaplaincy/Pastoral Care: Athlone

Email: ChaplaincyPastoralCare.midlands@tus.ie

Chaplaincy/Pastoral Care: Limerick (Moylish & Clare Street), Thurles, Clonmel & Ennis

Email: ChaplaincyPastoralCare.midwest@tus.ie

Careers and Employability

The Careers and Employability Service supports students and recent graduates in developing and implementing successful career plans. We support students on every step of their career journey with their CV, application forms, social media profile, interview preparation and career related assessments. We provide one-to-one support, workshops, seminars, clinics and webinars.

GARDA VETTING

Some placement opportunities require Garda Vetting. It is important that students know that previous convictions may limit their ability to obtain a placement in certain settings and might mean they are unable to reach required learning outcomes associated with certain courses. Students should research requirements thoroughly before embarking on a course of study which requires Garda Vetting.

Scan your phone on the QR code to learn more about Student Support Services:

Athlone

Limerick, Thurles, Clonmel and Ennis

Students' Union

TUS Students' Union actively supports positive progression of the overall student experience, particularly through academic affairs, student wellbeing, the student social scene and advocating for student rights. The SU is the elected voice for all students. It is a platform to allow you to have fun, develop into active citizens, have your voice heard and your rights upheld. Learn more about TUS Students' Union at www.tussu.ie and on Instagram at [tus_su](https://www.instagram.com/tus_su).

Accommodation

Starting college brings new freedom and the independence to make your own choices and decisions. For many students, going to college also means moving away from home to a new city or town and trying to find accommodation for the first time. Our campuses in Athlone, Limerick city, Thurles, Clonmel and Ennis will give you an opportunity to make one of these locations your home for a few years.

Most student accommodation is located within easy walking distance of our campuses. We work with local landlords and have an approved list of accommodation providers as a first place to start looking. Reach out and get in touch with our Students' Union and ask all the questions before booking your student accommodation. There are different types of accommodation available from 'digs' where a student lives with the owner of the property, to shared houses and apartments, and purpose-built privately owned student apartments.

To learn more about Accommodation serving all TUS campuses, visit the TUS website or scan the QR code.

“When I began my studies in TUS, I was surprised to find how helpful all the lecturers were. They really go above and beyond for you and are there to help you with whatever you need.”

- Jack, Culinary Arts

“TUS Athlone had the course that I wanted and is a career I always dreamed of pursuing, the facilities and staff made studying a course I loved so much more rewarding”

- Tika, Accounting with Finance

Student Life

Enrolling in TUS means more than just academic learning. There's lots of opportunities to broaden your horizons and joining a sports club or society is an important part of the student experience. It complements academic life, enhances your personal and social development and helps to forge lifelong friendships. For first year students in particular, joining a club or society is a great way to make new friends and meet people with similar interests, making the transition from school to university easier.

Societies

The diversity of TUS societies means that lots of interests are catered for and there is an array of societies you can join, including Film, Drama, Animation and Computer Gaming societies, to name but a few. Societies provide a range of activities both on and off campus throughout the academic year, including volunteering opportunities, trips away, guest speakers and social nights.

Sport

Sport is central to student life at TUS and we have a thriving sports scene, where we promote a sport for all policy. We believe that active membership in a sporting club has a positive and enhancing effect on our students, while also providing opportunities to represent the university nationally and, in some instances, internationally too. However, you do not need to aspire to such lofty sporting ambitions! Our sports clubs cater for all levels of activity and you can get involved at your own pace, whether you are an elite athlete, a beginner or just looking to get fit.

Sport at TUS is for everyone and is about meeting new people, getting some exercise, and most of all, having fun!

The wide variety of sports available at TUS ensures most interests are catered for including:

Hurling	Gaelic Football
Camogie	Soccer
Rugby	Basketball
Athletics	Boxing
Volleyball	Badminton
Weightlifting	Pool
Rowing	Judo
and more....	

We are always open to adding new sports to what we already provide.

Last year, TUS teams and individuals achieved success in a wide variety of codes and competitions. This sporting success is built on the excellent indoor and outdoor facilities as well as the established coaching/team management systems, which is implemented by full-time sport and recreation officers, with the assistance of part-time coaching staff and the students' sports representatives.

TUS Sport Winners 2022/23

Mens GAA, Trench Cup Winners 2023
Mens GAA, Football League Winners 2022
Ladies GAA, Donaghy Cup Winners 2023
Women's Rugby, Division 3 League Winners 2023
Women's Pool Intervarsity Winner 2023
Boxing, IABTA Intervarsities Champion (67kg) 2023

Several TUS students also represented Ireland in soccer, boxing and athletics competitions.

“What I like about studying at TUS are the small class sizes, so it’s easier to interact with the lecturers and fellow students”

- Gabriel, Sports Development & Performance

“I have learnt so many new skills that I will take onto the next chapter of my life”

- Abbie, Bioveterinary Science

Sports Scholarships

Our commitment to sport is underlined by our Sports Scholarship Scheme which allows students who are at the forefront of their chosen sport to apply for a range of supports. We are proud to invest in our students to support and encourage them in reaching their sporting potential and each year, we recognise the achievements and excellence of our students in their respective fields.

Scholarships can include use of our sports facilities, physical therapy, strength and conditioning coaching, nutritional advice, academic support, accommodation, financial support, etc. Last year, we awarded over 100 scholarships across all campuses. The scholarships are not aimed solely at elite players, but are open to students that take part in coaching and administrative roles in clubs across the college. Further information on our Sports Scholarships programme is available from the TUS Sports Offices or scan the QR codes for more information.

Sports Scholarships - Athlone

Academy and Gold Sports Scholarships

TUS Athlone campus operates a sports scholarship scheme for students who have reached, or have the potential to reach, a very high standard of performance in their chosen sport. The scholarship operates on two levels: A Gold Scholarship is worth up to the value of €4,000 in supports, which includes the use of our sports facilities, physical therapy, individual strength & conditioning coaching, functional screening assessments, cookery demonstrations, academic support, nutritional advice, performance lifestyle management, sports psychology support, skill acquisition support and athletic development funding; an Academy Scholarship includes many of the supports listed above for those aspiring to the Gold level and is worth up to the value of €2,500. More information can be found on the TUS website.

Sports Scholarships – Limerick, Thurles, Clonmel and Ennis

The TUS campuses in Limerick, Thurles, Clonmel and Ennis offer three different types of sports scholarships: Gold, Silver and Bronze.

Gold Sports Scholarship

The Gold level scholarships are aimed at students that are competing at the highest level of their chosen sport, e.g., intercounty, interprovincial, international, FAI League of Ireland.

Silver Sports Scholarship

The Silver level scholarships aim to give students the opportunity to develop and attain the highest level in their chosen sport while studying in TUS.

Bronze Sports Scholarship

The Bronze level scholarship is designed to support athletes who compete at club/non-elite level, and also contribute towards their respective sport(s) in other capacities e.g. administration, coaching, fundraising, promotion, etc.

Scholarships are awarded on an annual basis.

Munster Council GAA Bursaries

The Munster Council GAA Bursaries are open to members of the association attending a full-time higher education course (except those who hold another GAA-related or college scholarship/bursary) and who are active participants in their college club. Candidates may be awarded bursaries in successive years (limit of two years only), subject to passing exams and satisfactory evidence of a significant contribution to the college club. Application forms are available from the Munster GAA website.

Elite Sportsperson Entry Scheme

TUS has in place, for some undergraduate degree courses (Athlone only), an academic entrance scheme for elite sportspersons. A number of places will be reserved for outstanding candidates who have reached a very high standard of sporting achievement, through performance or coaching, and who are committed to further developing their sporting and academic careers. A 50 CAO points waiver may be awarded to prospective students (Athlone only).

Sports Facilities – Athlone

TUS International Arena boasts an array of options for health-conscious students, beginners and elite athletes alike. This facility includes a fully approved IAAF Indoor Athletics Stadium, student fitness gym, elite training gym, spinning studio, fitness studio, high performance testing room, two cryotherapy units and a movement mechanics sports science studio. Outdoor facilities provide for most sports including an eight-lane IAAF-approved outdoor athletics track which also features a full-size international dimension soccer pitch in the infield area (floodlit), a fully FIFA approved artificial soccer pitch, sand based multi-sport grass training field, full size GAA pitch and a 2km floodlit cross country trail. The TUS Athlone sports gym has a dedicated team of qualified instructors who will provide you with excellent guidance, advice and comprehensive fitness programmes to match your fitness level, from complete beginners to elite athletes. Students can avail of discounted membership rates or can use the facilities on a pay as you go basis. A wide array of fitness classes are available in our state-of-the-art studios.

Sports Facilities – Limerick, Thurles and Clonmel

Our Moylish campus in Limerick has an impressive range of sports facilities for students, including three full size pitches and an all-weather playing pitch, as well as a fully equipped gym and indoor sports hall, catering for basketball, soccer and fitness classes.

A new €5.5 million Clonmel Sports Hub has opened on the grounds of TUS Clonmel campus. Developed in partnership with Tipperary County Council and with support from local industry, the impressive multipurpose sports facility has been developed to international sporting standards and features a 400-metre IAAF-approved athletics track, a skatepark, walkways, cycleways, a playground and a cycle (pump) track. It is a fantastic addition to our Clonmel campus.

Our Thurles campus houses a state-of-the-art strength and conditioning building, the 'SportsLab'. Among the facilities available in the 2,000 sq. metre facility are a 45m, six lane sprint track specially designed to improve speed; a Paralympic area; cable machines; a range of sport technology systems, including micro electro mechanical systems and GPS systems; Olympic lifting platforms; five functional screening kits; weights and the full range of exercise machines. It is one of the finest facilities available in the country and is designed to support our Sports Science courses. Planning permission has recently been granted for the expansion of sports facilities at the Thurles campus with an extension to the SportsLab, alongside the development of tennis courts and GAA and astro pitches.

UPMC Sports Medicine Clinics

UPMC (University of Pittsburgh Medical Center), a globally recognised leader in sports medicine and orthopaedics has Sports Medicine Clinics at our Moylish and Thurles campuses. This exciting partnership ensures that TUS teams and the local communities have access to world-class sport medicine services and equipment to help with recovery and athletic development.

Other Scholarships and Financial Supports

TUS offers a range of other scholarships, funding and supports that students can apply to. These include

- 1916 Student Bursary
- Uiversity Scholarships
- Laptop on Loan scheme
- Student Assistance Fund
- Mature Student Book Lending Scheme
- Scholarships of Excellence
- KickStart Scholarship
- Leaders@TUS Scholarships

International Opportunities and Study Abroad

TUS offers an international education experience, welcoming students from over 100 countries to our six campuses.

Our diverse campus life enhances learning and community. Our multicultural campus community helps widen networks and fosters connections globally. Our growing international community of students experience a warm welcome with smaller class sizes and a friendly atmosphere.

Erasmus and Study Abroad

TUS is an Erasmus+ Charter holder, offering Study Abroad and Work Placement opportunities supported by the Erasmus+ Mobility Programme. All students are encouraged to explore these opportunities, which include partnership with over 480 universities and research institutions worldwide. By participating, students can gain language skills, broaden their perspectives, expand their network and enhance their employability.

For Erasmus Study Abroad enquiries, contact: Erasmus@tus.ie

My Study Abroad Experience

"TUS has some incredible opportunities to study abroad. RUN-EU and Erasmus+ provide options to study abroad that range from a week to a full semester. During my time at TUS, I studied in Portugal, Netherlands, France and Belgium. These were fantastic experiences as I got to meet students from other universities, many of whom I stay in contact with today, as well as experience living in a foreign country. Studying abroad is always an excellent opportunity to experience different cultures, cultural events, food and see the world! And TUS can provide you with those opportunities!"

- James, Business Studies (Marketing & Management)

Regional University Network – European University – RUN EU

TUS is also a member of the Regional University Network – European University – RUN EU along with eight other European Higher Education Institutes. Students are encouraged to take up funded Study Abroad opportunities in partner institutions based in Portugal, The Netherlands, Finland, Hungary, Austria, Spain and Belgium. At TUS, students thrive in an inclusive educational environment, benefit from global opportunities and gain valuable skills for success in a diverse and interconnected world.

Polytechnic of Leiria

Applying to TUS

Choosing the right course is the first step towards your future career, and at TUS, we have designed our courses in a flexible way that enables students to exit courses at various levels. There are three entry levels to TUS at undergraduate level:

- **Higher Certificate (Level 6) courses**
- **Bachelor Degree (Level 7) courses**
- **Honours Bachelor Degree (Level 8) courses**

Students who enter TUS at any level, can either choose to graduate at that level or progress to the next level, assuming required grades are achieved (and progression course available). Exit awards have been built into courses at various levels. A qualification from TUS will open many doors and our courses are developed in partnership with industry, professional bodies and the community to give you the best possible employment and academic outcomes. All courses fit within the National Framework of Qualifications (NFQ) – the official system of qualification recognition in Ireland.

Central Applications Office (CAO)

Application for entry to first year of courses at TUS is through the CAO system. Applicants can apply online at www.cao.ie.

– **KEY CAO DATES TO REMEMBER**

1st February 2024
Initial CAO Application deadline
(Also Mature Applicant closing date)

1st May 2024
Late CAO Application deadline

1st July 2024
CAO Change of Mind deadline

Entry Requirements: Leaving Certificate

For students with Leaving Certificate qualifications, the minimum entry requirements for entry to the first year of courses are as follows, however, applicants should also check for any specific subject/grade requirements for each course in our Prospectus or on our website, www.tus.ie

Higher Certificate (Level 6) courses

You must have 5 O6/H7 grades or higher at Ordinary level in five Leaving Certificate subjects. Two of these subjects must include: *Mathematics and a Language (English or Irish).

Bachelor Degree (Level 7) courses

You must have 5 O6/H7 grades or higher at Ordinary Level in five Leaving Certificate subjects. Two of these subjects must include: *Mathematics and a Language (English or Irish).

Honours Bachelor Degree (Level 8) courses

You must have 2 H5 grades or higher in two Higher Level subjects, together with 4 O6/H7 grades or higher in four other Ordinary Level subjects in Leaving Certificate subjects. Two of these subjects must include: *Mathematics and a Language (English or Irish).

In practice, entry levels are significantly above the minimum and points are calculated from the six best subjects from one sitting.

Note: Specific Maths grades are required for courses in the Department of Electrical & Electronic Engineering (Limerick only). See the TUS Prospectus or website for more information.

*Foundation Level Mathematics

Foundation Level Mathematics at grade F2 or higher is acceptable as meeting the Mathematics requirement for certain courses at TUS. For a list of courses that accept Foundation Level Maths, visit www.tus.ie

Bonus Points for Honours Mathematics

25 bonus points will be awarded to any CAO applicant who has gained a grade H6 or higher in Leaving Certificate Honours Mathematics.

Foundation Level Irish

Foundation Level Irish at grade F2 will meet the minimum language requirement.

Leaving Certificate Applied Programme (LCA)

LCA subjects do not meet the minimum entry requirements for admission to academic courses at TUS and are not considered passing subjects. Holders of the LCA qualification may wish to undertake a QQI FET/FETAC Level 5 course in order to gain eligibility for entry to courses at TUS.

Leaving Certificate Vocational Programme (LCVP)

The LCVP module will be considered as a passing module provided the applicant achieves at least a pass grade.

Points will be awarded for LCVP link modules as follows:
Pass: 28 points **Merit:** 46 points **Distinction:** 66 points

QQI-FET/FETAC

TUS accepts QQI-FET/FETAC awards for entry on all courses of study. Holders of these qualifications seeking entry to first year of courses at TUS should apply through the CAO. Visit www.tus.ie for more information.

Mature Applicants

We welcome mature applicants to apply for entry to all courses at TUS. Mature applicants (at least 23 years on 1st January of the year of entry) should apply to the CAO on or before 1st February, with documentary proof of relevant work experience/qualifications they wish to be considered. For further information on the process for applying as a mature applicant, contact the TUS Admissions Offices at:
